Experience

**CHIEF CUSTOMER & PRODUCT OFFICER**  
- *XPON TECHNOLOGIES GROUP (ASX:XPN)*

2024

- present

Executive leadership of customer, product and commercial strategy for a next-generation customer-experience and data-platform business.

- Owns the product roadmap and commercialisation for the Wondaris customer-data platform.
- Connects customer insight, product direction and commercial outcomes across the listed entity.

**CHIEF PRODUCT OFFICER**  
- *XPON PLATFORMS - XPON TECHNOLOGIES GROUP (ASX:XPN)*

2021

- 2024

Product leadership across the group's two growth products - the Wondaris customer-data platform and the Holoscribe digital-publishing platform.

- Built and led the product function from the ground up across Wondaris and Holoscribe.
- Drove product through the company's ASX listing and commercial scale-up phase.

**CHIEF OPERATIONS & PEOPLE OFFICER**  
- *XPON DIGITAL - XPON TECHNOLOGIES GROUP (ASX:XPN)*

2020

- 2022

Led operations and people for XPON Digital, the group's UK-based software solutions and consultancy division, with a distributed team across the UK and Vietnam.

- Owned gross margin and most operating expense outside of sales on the P&L.
- Built the operating model from sales through delivery to support, underpinned by a tribe, chapter, squad model and shared culture of excellence.

**CO-FOUNDER & CHIEF PRODUCT OFFICER**  
- *FOCAL LABS*

2013

- 2020

Co-founded a service-based startup enabler supporting MVP development and commercial momentum for early-stage concepts.

- Held the founding product remit across the Focal Labs ventures (Shorthand, Immersive, Holoscribe).
- Owned concept-to-MVP-to-launch and commercial validation for portfolio ventures.

**CO-FOUNDER & CHIEF PRODUCT OFFICER**  
- *HOLOSCRIBE*

2015

- 2020

- Led product, people and innovation across venture-building.
- Took the venture from concept through seed funding to acquisition.

**STRATEGY, INNOVATION & TRANSFORMATION ADVISOR**  
- *4IMPACT*

2017

- 2020

- Member of the transformation working group. Defined and led a progressive growth and turnaround strategy.

**ACTING CHIEF FINANCIAL OFFICER**  
- *4IMPACT*

2019

- 2020

- Stepped into a cashflow-challenged, superficially profitable business.

**ENGAGEMENT PROJECT MANAGER**  
- *EARTHQUAKE COMMISSION (EQC, NZ) VIA 4IMPACT*

2015

- 2017

- Worked with the CIO and Executive General Managers on the claims function; partnered with central NZ government IT.

**CO-FOUNDER & PRODUCT LEAD**  
- *SHORTHAND*

2013

- 2015

- Clients: BBC, Guardian, ESPN, The Times, Financial Times, Hearst and Trinity Mirror across the UK, Europe, Australia and the US.

**CO-FOUNDER & PRODUCT LEAD**  
- *IMMERSIVE (LATER SHORTHAND SOCIAL)*

2014

- 2015

- Took the concept from MVP to beta launch in under six months; 1000+ users and 500+ stories in the first six weeks.

2011-13

4impact - Head of Delivery.

2010-11

4impact - Solution Architect.

2009-10

Mastercard - Lead Developer, Payment Gateway.

2007-08

Queensland Transport - Enterprise Solution Architect & Lead Analyst/Developer.

2006-07

World travel.

2005-06

RHE & Associates - Senior Software Engineer (contract).

2004-05

Provenco - Senior Software Engineer (contract).

2004

AXA New Zealand - Senior Software Engineer (contract).

2002-03

Good Technology (London, UK) - Software Engineer.

2000-02

Open Telecommunications - Software Engineer.
